

Do you know your neighbour?

One day you could save their life.

We all have a role to play in ensuring everyone is safe behind closed doors. Suspecting abuse doesn't mean you are nosy it means you are concerned about the safety of another.

If you believe someone is in immediate danger call the police on 999.

There is no excuse – it's against the law.

To report domestic abuse: call **999** if you believe someone or a child is in immediate danger. Call **101** for non-emergencies.
